

LEA Form 11

Alabama CTE Recognized Credential List

DIRECTIONS: Use the Credential List in the CTE Document Library in eGAP, or the Program Grids for the Clusters, and determine which Alabama CTE Recognized Credentials are offered in your CTE programs. Then complete the following 3 questions. You do not need to identify which clusters or which credentials were taken.

(SAMPLE: 1 student attempted and passed 1 credential would be 1-1-100%; 3 students attempted and passed 6 credentials would be 6-6-100%; 20 students attempted and of that 20, 15 passed one credential would be 20-15-75%)

COUNT A STUDENT ONCE FOR EACH CREDENTIAL THE STUDENT HAS TAKEN.

Total number of credentials attempted	Total number of credentials passed	Total percentage of credentials passed
173	160	92%
